BRAND NAME "OR EQUAL" SPECIFICATIONS:

The provisions of Section 33.1-52 City Code apply. If and wherever in this proposal a brand name, make, name of any manufacturer, trade name, or vendor catalog number is mentioned, it is for the purpose of establishing a grade or quality of material only. Since the City does not wish to rule out other competition and equal brands or makes, the phrase OR AN APPROVED EQUAL is added. However, if a product other than that specified is bid, it is the vendors responsibility to name such a product within his bid and to prove to the City that said product is equal to that specified. In all instances where an "or equal" or an alternate item is offered, bidders
